 SAHSWI, together with Linde Lodge, is representing Sweden in the 2025 Holiday Folk Fair International. We are participating in the **Nordic Council Cultural Exhibit booth**. America's Premiere Multicultural Festival ... Explore the World of Music, Food, Dance, and Arts
Travel Around the World at the 82nd Annual Holiday Folk Fair International
Holiday Folk Fair International, America's premier multicultural festival and a program of the International Institute of Wisconsin, celebrates the cultural heritage of the people living in southeastern Wisconsin. You can explore the ways music, food, dance, and art weave together a message of welcome.

To best represent Sweden in this multi-cultural event, we need help from our members. We will have a booth set up with exhibit items, this year focusing on Music. However, they can include other typical Swedish items as well. On the next page you will find a picture of the Swedish display from last year.

Ehrengren will be setting up the booth display together with Liza Ekstrand from Linde Lodge, so they have signed up for the first and last shifts. If you are interested in filling one of the other shifts, see the table below and contact John Engel (westalliskin@gmail.com) or Jan Ehrengren (jehrengren@outlook.com) and they will coordinate the schedule and provide you with volunteer tickets.

If you have or think of any display items that fit the theme of **“The Culture of Traditional Music,”** please contact either John or Jan. There are also a limited number of tickets for sale available at a discounted price. The pre-sale ticket price is \$11 vs \$13 at the door of the event. John or Jan can provide you with pre-sale tickets.

Recognizing the Swedish ethnicity and, for many of us, the Swedish roots are important for our identity. The same goes for other Wisconsinites, descendants of immigrants from Germany, Poland, Italy, China and Norway and many more countries. The Holiday Folk Fair International is celebrating the international community of Wisconsin.

The Swedish booth will be manned by a minimum of 2 people for each shift. Each shift is about 4 hours. Linde Lodge has already signed up people for each shift; however, in order to have 2 people there are several openings. All volunteers receive a three-day volunteer fair ticket for free. Volunteers will also be reimbursed for parking.

John Engle is the SAHSWI representative (board member) on the Nordic Council. John and Jan
